

# Outlook Synchronizer

The ultimate bridge between SuperOffice and Microsoft Outlook.

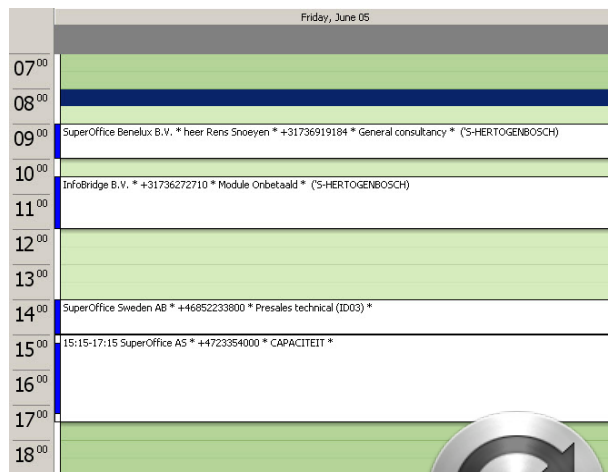

## Synchronize SuperOffice CRM with Outlook

### What is it?

In today's mobile world staying in sync with the rest of your organization is crucial. The ability to plan and react on the spot has never been more important. With the Outlook Synchronizer you are able to synchronize your SuperOffice diary and SuperOffice contacts with Microsoft Outlook and share appointments with other employees in your organization not using SuperOffice CRM.

### The Facts

- Two way synchronization of your SuperOffice diary and tasks with Outlook. Ideal for companies that use Outlook as corporate calendar system.
- Synchronizes your SuperOffice contacts (related to appointments or tasks) and your personal SuperOffice Selections with Outlook contacts.
- All features from the Outlook calendar are supported, like all-day events and recurring appointments.
- Keeps every PDA or (Smart)phone that supports Outlook sync capabilities up to date. calendar, contacts, and to-do's are always up to date when you are on the road.
- Outlook calendar, task and contact folder on your local PC are always up to date for quick synchronization.

Extending your SuperOffice
